NOMINATION for the WIFT-AT Board of Directors 2022 - 2024

The election of the Board of Directors of the WIFT-AT is for a two-year term. Positions are to be elected at the Annual General Meeting on Monday, June 13th, 2022.

Nominations should be submitted to info@wift-at.com.

Please include a CV/resume and brief bio of the nominee, as well as a comment on the nominee's alignment with the key priorities for this term:

- *We are a working board in all four Atlantic Provinces, with a small staff, and we are currently working remotely. The full board meets monthly, and its committees and working groups meet according to the needs of the activities they support. This is a good time to join **if you have the time to roll up your sleeves for our “many hands make light work” approach.***
- *The board began a strategic planning process and governance review in 2021. This is a good time to join **if you have an interest in non-profit governance and strategic planning.***
- *Some of our shared values brought to our work together include: accessibility, inclusivity, respect, fairness, support, accountability, responsiveness, adaptability, and sustainability.*

You can vote at the meeting or submit a proxy form beforehand. Please contact info@wift-at.com should you require a proxy form.
